

Sensational Seaweed!

Let's investigate algae with (almost) all of our senses!
At the seeing stations, choose one algae to **sketch** in detail.
As you taste, touch, or smell, use **words** to record your observations.

If you have extra time, add a thought to the "I wonder..." corner.

Then, compose your own poem inspired by seaweed!

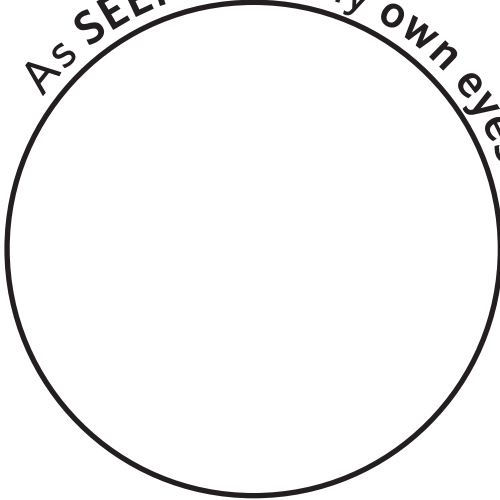

Name _____

Date _____

I wonder...

As **SEEN** with my own eyes

Taste

Touch

Smell

My Algae Haiku
